

# MEETING THE CHALLENGE

## Flood Management Implementation Activities

### Ongoing Studies & Programs

#### Upper Sacramento Region

Central Valley Integrated Flood Management Study  
Sacramento River Bank Protection Project–Phase III  
Sutter County Feasibility Study

#### Lower Sacramento Region

American River Common Features General Reevaluation Report  
Central Valley Integrated Flood Management Study  
Lower Cache Creek–Yolo County, Woodland Area Feasibility Study  
Sacramento River Bank Protection Project–Phase III  
West Sacramento General Reevaluation Report  
Yuba River Basin General Reevaluation Report

#### Delta Region

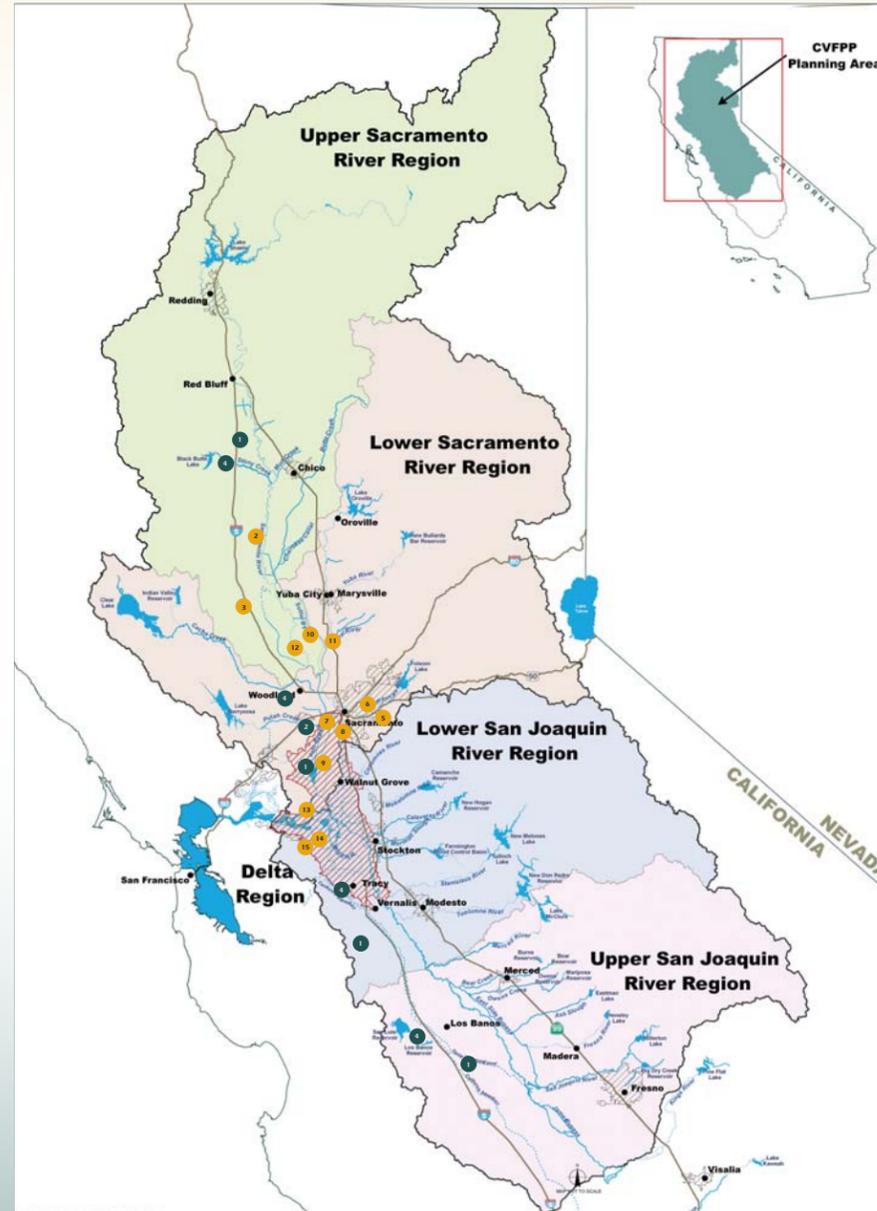

Bay-Delta Conservation Plan (BDCP)  
Central Valley Integrated Flood Management Study  
Delta Habitat Conservation and Conveyance Program (DHCCP)  
Delta Islands and Levees Feasibility Study  
Delta Long-Term Management Strategy  
Delta Risk Management Strategy (DRMS)  
Delta Vision  
Levee System Integrity Program

#### Lower San Joaquin Region

Central Valley Integrated Flood Management Study  
Lower San Joaquin River Feasibility Study  
Orestimba Creek Feasibility Study

#### Upper San Joaquin Region

Central Valley Integrated Flood Management Study  
Merced County Streams General Reevaluation Study  
San Joaquin River Restoration Program

Bear River Levee Cut-off Wall

Natomas Cross Canal Cut-off Wall

Folsom Dam Modifications

Feather River Setback Levee

Bear River Setback Levee

Feather River at Star Bend

### Projects Under Construction

#### Upper Sacramento Region

- 1 Floodway Corridor Program
- 2 Sacramento River Bank Protection Project
- 3 Sacramento River Flood Control Project, Mid-Valley Area, Phase III Limited Reevaluation Report
- 4 DWR Levee Repairs Program

#### Lower Sacramento Region

- 1 Floodway Corridor Program
- 2 Sacramento River Bank Protection Project
- 4 DWR Levee Repairs Program
- 5 Folsom Dam Safety and Flood Damage Reduction Project
- 6 Folsom Dam Raise Project, Bridge Element
- 7 Natomas Levee Improvement Program Phase 3 Landside Improvement Project
- 8 American River Common Features Project
- 9 Sacramento Metropolitan Area Flood Control Project–West Sacramento
- 10 Three Rivers Levee Improvement Authority (TRLIA)–Feather River Setback Levee
- 11 Bear River Setback Levee
- 12 Feather River Setback Levee at Star Bend

#### Delta Region

- 13 South Sacramento County Streams Project
- 14 Delta Levees Maintenance Subventions Program
- 15 Delta Levees Special Flood Control Projects

#### Lower San Joaquin Region

- 1 Floodway Corridor Program
- 4 DWR Levee Repairs Program

#### Upper San Joaquin Region

- 1 Floodway Corridor Program
- 4 DWR Levee Repairs Program

- Projects in one region
- Projects in multiple regions
