

NOTICE OF PUBLIC MEETING JUNE 23, 2016

Proposed East Porterville Water Supply Project

The Department of Water Resources and the State Water Resources Control Board invite you to attend a public meeting to learn about the findings of the Draft Feasibility Study and to provide your comments for the proposed East Porterville Water Supply Project.

Background:

East Porterville is an unincorporated community in Tulare County. The residents' drinking water is supplied by individual wells. Many of the wells have gone dry as a result of severe drought conditions. In addition, many of the wells are shallow and are vulnerable to contamination due to improper construction. With the joint efforts between the state agencies, County of Tulare and City of Porterville, the Department of Water Resources is financing the emergency connection to homes that are receiving their water supply from the Household Tank Program. The purpose of the Feasibility Study is to identify the most economical and sustainable long-term solution that would provide safe, clean and affordable drinking water to the community of East Porterville.

Public Meeting:

The Department of Water Resources will present the findings of the Draft Feasibility Study regarding the proposed East Porterville Water Supply Project. Written and verbal public comments will be received at the meeting.

Date: **Thursday, June 23, 2016***
Time: **6:00 p.m. – 8:30 p.m.**
Location: **Granite Hills High School, Cafeteria,
1701 E. Putnam Avenue, Porterville, CA 93257**

**Spanish language interpretation services will be available at this meeting.*

Public Comment Period

Public comments regarding the Draft Feasibility Study will be received from June 20, 2016 – July 20, 2016. Public comments can be sent to;

Mail: Greg Farley, Department of Water Resources, 901 P Street Room 213B, Sacramento CA 95814
Email: Stuart.Farley@water.ca.gov, or Fax: (916) 651-9289
